

HORSEBACK RIDES...

From the months of June through September you can enjoy trail rides that include a delightful dutch oven dinner. You may also wish to spend a night under the stars and enjoy campfire meals on one of our overnight pack trips, or wilderness adventures.

No experience necessary, but an open mind is an asset. Magnificent clean mountain air, lush meadows of wildflowers, clear mountain streams and wildlife in its natural environment makes for a perfect family or small group adventure. Fishing is also available for those who may want to try their hand at landing a fresh mountain trout.
